

Report to DSR 2008 Convention, Pensacola Beach, Florida -

It has been the pleasure of this Officer to assist the DS Regional Director and other DSR Officers as requested. Script Agendas were prepared for those presiding at all 2008 DSR Preconvention and Convention functions and copies sent to the DSR Recording Secretary. With the direction of the DS Regional Director, the 2008 DSR Convention agenda for the printed program was prepared for the '08 Convention Chairman, and a final draft of the program was proofed for the DS Regional Director.

Questions from across the Deep South Region States have been answered regarding parliamentary procedure at meetings and conventions as well as questions on amending and/or revising bylaws. As you know, I am new in this office, but please continue to contact this Officer if there are questions you may need assistance with, and we will work it out together.

Freda W. Harrison, DSR Parliamentarian
