

Life Membership Chairman
2008 Deep South Convention
Pensacola, Florida
March 30 – 31, 2008

You have been told, “It takes a village to raise a child”, but today it takes a state to educate a student. The six states of Deep South have accepted this challenge with state scholarships given with donations and life memberships.

The six states embraced this challenge further with the Deep South Scholarship Program through the Life Memberships and Patrons for Scholarships.

Congratulations to the Deep South Region for obtaining 408 Life Memberships and 26 Patrons.

At this time, only one scholarship is given, but as the Scholarship Fund grows, this could change.

I commend the State Chairmen on a job well done.

Peggy B. White Chairman
